**SAFETY RULES CONCERNING LIVESTOCK AND PLANT AREAS**  
**(THIS PAGE MUST BE TURNED IN WITH APPLICATION)**

The following rules govern all livestock shows including the plant show. It includes all areas in the Festival deemed as agricultural and all locations on the Festival grounds where animals are housed. The rules concern all participants, their families and any visitors to these areas. These rules are based on The Center for Disease Control Guidelines for the safe operation of livestock shows. These rules have been made policy by the Board of Directors of the Florida Strawberry Festival® and as such will be strictly enforced to ensure the Festival's continued ability to provide livestock exhibitions at the Florida Strawberry Festival® in future years.

1. Know that animals carry germs that can make people sick and have actually done so.
2. Any contact with animals should always be followed by washing of your hands.
3. There can be absolutely **NO FOOD** or **DRINK** in any form in the livestock or youth plant show areas. This includes visitors, family and exhibitors.
4. It is the responsibility of each exhibitor to educate visitors and report food and drink violations to appropriate parties.
5. No animal can be fed anything but livestock feed in appropriate containers. If an exhibitor is feeding an animal food other than livestock feed, the exhibitor has already violated Rule #3 above.
6. No one but the exhibitor or his/her duly appointed designee can have direct contact with the animals.
7. All animal areas will be set up so that the general public cannot directly touch the livestock.
8. These rules may change from time to time. It is the exhibitor's and guardian's responsibility to verify the rules prior to entering the show.

Each exhibitor and their legal guardian must sign a copy of these rules agreeing to be bound by them. These rules will be enforced uniformly and without exception. Any exhibitor not following these guidelines will be disqualified from the livestock or plant show and no one will be permitted to exhibit or sell the disqualified individual's plant(s) or animal(s) at the Florida Strawberry Festival®. If a disqualified individual is exhibiting in more than one event referenced above, the individual will be disqualified from all from the point the infraction occurs and will forfeit premiums and awards.

We have read and understand these rules and we agree to the following as stated above.
