### **Stingray Chevrolet to Raffle off New Corvette Mid- Engine C8 2LT at 2020 event**

PLANT CITY, Fla. (Feb. 3, 2020) – Stingray Chevrolet has created a one-of-a-kind Corvette to raffle off at the 2020 Florida Strawberry Festival.

A 2020 Chevrolet Corvette Mid- Engine C8 2LT will be given away on Sunday, March 8 at 5 p.m. at the Stingray Chevrolet exhibit on the festival grounds. The car, valued at approximately \$67,295 features a 490 HP LT2 V8 engine and an eight-speed dual clutch transmission with a Heads-Up display. The vehicle also includes a performance data recorder, rear cross traffic alert monitor, theft deterrent system, color infotainment navigation touch-screen, Bluetooth technology, Bose Performance audio system with 14 speakers, 4-wheel anti-lock disc brakes and much more.

“In the previous 66 years of the Chevrolet Corvette, it has always been a front engine, rear wheel drive American sports car,” said Stingray Chevrolet Owner Steve Hurley. “For the first time in the history of the longest running, and most storied American sport car, the 2020 Chevrolet Corvette will now be a Mid- Engine V8 powered sports car.”

Tickets for the drawing are \$5 each and are available at the dealership located off exit 22 on I-4 in Plant City until 6 p.m. on Friday, March 6 and can also be purchased online at [www.stingraychevroletaffle.com](http://www.stingraychevroletaffle.com) until 3 p.m. on Friday, March 6. Tickets will also be available at Stingray Chevrolet’s vehicle display on the festival grounds until 4:30 p.m. on Sunday, March 8.

All proceeds from the raffle benefit Unity in the Community, a Plant City organization that contributes to local youth organizations and other groups who provide assistance to underprivileged families. Stingray Chevrolet has raised over \$1.5 million dollars for Unity in the Community since they began the annual vehicle giveaway more than 10 years ago.
