### **New Chevrolet Corvette Mid-Engine C8 2LT given away at Florida Strawberry Festival**

PLANT CITY, Fla. (March 23, 2020) – A 2020 Chevrolet Corvette C8 2LT was given away last week at the Stingray Chevrolet display on the Florida Strawberry Festival grounds.

David Janhonen of St. Petersburg, Fla. won the Corvette Mid- Engine C8 2LT that, valued at just over \$67,000, features a 490 HP LT2 V8 engine and an eight-speed dual clutch transmission with a heads-up display. The vehicle also includes a performance data recorder, rear cross traffic alert monitor, theft deterrent system, color infotainment navigation touch-screen, Bluetooth technology, Bose Performance audio system with 14 speakers, 4-wheel anti-lock disc brakes and much more.

Those hoping to win the car could purchase tickets all 11 days of the Festival at the Stingray Chevrolet display, at the dealership and on the dealership's website. At 5 p.m. on Sunday evening, a crowd gathered at the Stingray Chevrolet display to find out whose name would be drawn. Mr. Janhonen was not present.

“It’s a win-win,” said Florida Strawberry Festival President Paul Davis. “One lucky recipient gets to take home a one of a kind, state-of-the-art, mid-engine Chevrolet Corvette and all the proceeds go to a wonderful organization in our community.”

For the past eleven years Stingray Chevrolet has donated a new vehicle to be raffled off on the festival grounds to benefit Unity in the Community, a Plant City organization that contributes to local youth organizations and other groups who provide assistance to underprivileged families.
