

# WELCOME TO THE YOUTH PLANT SHOW AND SALE

This is the 49<sup>th</sup> Youth Ornamental Plant Show and Sale to be held in Hillsborough County. The show and sale encourages the production of high-quality ornamental plant material and rewards young growers for their efforts. The Hillsborough County Youth Ornamental Plant Show and Sale are co-sponsored by the Tampa Bay Chapter of the Florida Nursery, Growers, and Landscape Association, the Florida Strawberry Festival and the UF/IFAS Hillsborough County Cooperative Extension Service. Any FFA or 4-H Club member attending a Hillsborough County School or enrolled in Hillsborough County 4-H Club is eligible to participate. The exhibits represent the student's projects for the year. Record-keeping requirements, growing experience, and classroom instruction serve to expose students to the production segment of the ornamental horticulture industry and to experience the pleasure of learning by doing. We will have a silent and live auction. **The silent auction begins at 11:00 in the pavilion and ends at 13:00. The live auction in the arena starts at 14:00.**
