RULES AND REGULATIONS

1. Classes are open to all **amateur** growers of Hillsborough County, including members of the Florida Federation of Garden Clubs of Hillsborough County. No professional entries allowed. A professional is one who grows plants for profit.
2. Exhibitors will check in by name, address, and telephone number at the entry table. They will pick up cards which will be filled out for them, attach cards to plants and have them checked by the classification committee, they will be left for placement. Exhibitors will retain card stubs for pick-up of plants on **Tuesday, March 12th, 2024, 8:00 a.m. – 10:00 a.m.**
3. Horticulture specimens must be grown by the exhibitor and in the exhibitor's possession for three months prior to opening day of the festival except for multiple plants (Dish Gardens, Fairy Gardens, Terrariums) which must have been in exhibitors' possession at least six weeks.
4. When all available exhibit space is filled, the committee reserves the right to reject additional plants.
5. There will be a limit of ten (10) plants for each Adult exhibitor; there will be a limit of five (5) plants for each of the Junior and Intermediate Division Exhibitors.

6. Plants will be inspected as they enter the building, and the Horticulture Committee reserves the right to reject any plants that do not come up to judging standards. For example: disease, insects, dirty pots, oiling, or poor grooming. Good grooming consists of cleaning plants to remove dirt and spray residue as well as dead foliage or flowers. Specimens may be groomed in any way which does not alter their typical features.
7. All potted plants must be exhibited in suitable flowerpots (no saucers), and not in cans or pans.
8. No plants will be accepted in containers over fifteen (15) inches in diameter. No plants over 25 lbs.
9. All dish gardens must be displayed in man-made containers up to fifteen (15) inches in diameter. Fairy Gardens must adhere to a 30 lb. weight limit but may be odd shaped and exceed fifteen-inch diameter.
10. An exhibitor should, when possible, label all horticulture entries with both common and botanical names.
11. Classes will be judged by species and varieties. All plants are listed by binomial names.
12. A 2023 top award-winning plant, or its baby, will **not be eligible to be exhibited again until 2025.**
13. Judges' decisions will be final.
14. Care will be exercised to prevent damage or loss to your property, but the Plant City Garden Club, Inc., and/or the Florida Strawberry Festival, Inc.® will not assume any responsibility or liability for damage to property.
15. Entries must be picked up **Tuesday, March 12, 2024, between 8:00 a.m. and 10:00 a.m.** Any plants left after that time will remain at the exhibit booth and arrangements will need to be made with the Florida Strawberry Festival® personnel to pick them up.
16. Anyone participating in this contest by way of entry, hereby agrees and consents to the use of any picture of contestant in any or all publications, TV, publicity brochure, internet, etc., that the Florida Strawberry Festival® may desire.

Plant City Garden Club

Since 1948

Our Mission

To further the education of our members and the public in fields of gardening, horticulture, botany, floral design, landscape design, and environmental awareness through the conservation of natural resources, civic beautification, nature studies; and to instill our youth with love of gardening, and the respect for and protection of the environment.

About PCGC

The club was organized in 1948 and is still a vital part of the community.

The Plant City Garden Club is a member of the National Garden Clubs INC, The Florida Federation of Garden Clubs, and The Deep South Region. We are a member of the Greater Area Plant City Chamber of Commerce.

We are proud to be an active participant in our community.

Our activities and programs are many and we invite you to consider becoming a member of our organization.
